Dear Lisa,

Thank you for your leadership and hard work on this campaign. This was never my campaign for Governor. This was our campaign. Even though we did not win on September 5th, we were still successful because we ran this campaign on the core values of the Republican Party and got our message out to hundreds of thousands of Floridians. I believe true success is not measured by whether you win or lose but by whether you stand for what is right.

Thank you for the time you took to help spread our conservative message by walking door-to-door, making phone calls, and raising a lot of hard-earned money. Most importantly, thank you for your encouragement and prayers for me and my family. I could not have asked for a better team of supporters.

Just because we lost a battle, don't quit the war. Stay involved. The ideas that you worked so hard for are bigger than any one person and bigger than any one candidate, and as long as we continue to fight for them, they will prevail.

May God bless you all, and may God bless Florida.

Sincerely,

Tom
