

Congratulations Leadership Boca Graduates!

A special congratulations goes out to the 2001 Leadership Boca Class! The graduates were honored on Tuesday, July 10, 2001 during a luncheon at Boca Country Club. Magic was in the air as more than 80 alumni and guests arrived to celebrate with the 36 graduates of the class of 2001.

Leadership Committee Chairperson Phala Harper welcomed everyone and introduced J.C. Perrin, Chairman of the Board, who praised the Leadership program and congratulated the class of 2001. Keynote speaker Peter Gallo, gave a delightful and entertaining speech on the meaning of leadership, reminding us of the important role we all play within the community. Class co-president Kathleen Dailey, shared several anecdotal recounts of the Leadership experience and on behalf of Salvatore Cuccia,

J.C. Perrin, Kathleen Dailey, and M.J. "Mike" Arts

her partner as Leadership co-president, she spoke of the incredible bond created amongst the class. Classmate John Mulhall then took the microphone and delivered a humorous limerick he had written inspired by each of the members of the class of 2001. The luncheon drew to a close as M.J. "Mike" Arts presented the graduating class with their certificates of completion.

The graduation reception was a big hit and guests enjoyed honoring the graduates. A special thank you goes out to all volunteers and businesses that supported the class and provided them with educational venues.
