

For Lisa Macci

To Robert Austin
From Norma Taylor

7/9/07

I called this morning to praise
Lisa Macci for her program
on FCAT.

The longer I listened to Lisa
and her guest the more
impressed I was. As a great
Grandmother of a 4 year
old and a 10 month old
who like my son and 2
grandchildren have been
& will be educated in
Palm Beach County.

I wish Lisa could get
her program reproduced on
paper or tape cassette and
distributed to P.B. County
Parent Teacher's assns

school board, parents,
- again on radio. etc -

Thank you Robert for
passing this on to Lisa.

I was educated in
New Jersey long before
probably even your
parents were born -

Sincerely, Nouna Taylor

P.S.
I have an awful voice
to talk on radio any
more & and glaucoma
which affects my
eyesight for reading
and writing.
