Dear Lisa:

On behalf of the Board of Directors and the members of the Realtors® Association of the Palm Beaches, thank you for your service and participation as a committee member during 2004/05. RAPB has accomplished a great deal this year and none of what was accomplished could have been done without your involvement and support. Thanks to your efforts RAPB was awarded the 2005 FAR Overall Board Achievement Award in the Mega-Board category at FAR Annual Convention

RAPB has a tremendous potential to serve its 10,000+ members now and in the future. The key to our success is and will be the support, participation and involvement of our members. I hope that you will continue to be involved and also that you will urge others to do.

Personally, I thank you for making my year as Chairman of the Board as enjoyable, rewarding and successful as it has been.

With best regards,

John D. Pinson  
Chairman of the Board  
2004/05
