RE: Collaborative law Seminar – September 28, 2001

Dear Lisa:

On behalf of the Collaborative Family Law group of Tampa Bay, thank you very much for participating in the Collaborative Law Seminar on September 28, 2001. I consider it a true honor to have worked with you on this seminar. I have enclosed with this letter a video tape of the Seminar that was conducted on that date and in which you participated.

Please accept the Video Tape and my sincere expression of gratitude as tokens of the appreciation that the Collaborative Family Law Group of Tampa Bay has for your contribution toward the success of this seminar. As you know, this was the first full day seminar devoted exclusively to Collaborative Law in the State of Florida. We believe it came off not only as the first Collaborative Law Seminar; but, also was one of the best Seminars presented of any kind.

We could not have put this on without you. Thank you very much.

Yours very truly,

Joseph C. Hood, Esquire
