Subject : Court Watch: Good to hear the news!!!!!!!

***I agree with my daughter (Nancy More) that it was great to hear the news about the Pennisi & Goldberg cases. We are seeing a big difference in the rulings here, thanks to God and the Facts Now Group who seem to be having such a big impact. I have not been able to attend any of the court watch cases as yet but hope to soon. Being a grandmother who is not allowed to see her 13-yr. old grandson because the father who lives 2 blocks from me will not allow it and also was arrested last summer along with Nancy and my husband after Matt ran here once again for safety, it does my heart good to know that something is finally happening in the best interest of these children. I feel we should thank the good Lord also. You women who started the group are standing in the gap for Him and He is bringing the darkness to light. Good job-
