Dear Lisa:

Lt. Governor Frank Brogan and I want to thank you for the tremendous support you have provided to our campaign for re-election during this past year. Thanks in large part to your tireless efforts, Frank and I are able to continue our work to improve student achievement, raise standards and accountability in Florida's schools, reduce our crime rates and make our streets safer, and ensure that Florida remains a national leader in job growth. We are grateful beyond words that you shared our belief that these were things worth fighting for.

The campaign trail took us all across our beautiful state where we were fortunate to visit with so many old and new friends alike. From Pensacola down to Key West, large and enthusiastic crowds welcomed us and enabled us share our plans for Florida's future. Whether we were meeting with seniors regarding prescription drug benefits or talking to parents about school accountability, you made it possible for us to deliver our message around the state.

Thank you again for all that you did to help Frank and me in our re-election effort. We look forward to working with you over the next four years!

Sincerely,

A large, stylized handwritten signature in black ink that reads "Jeb".
